INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Allied Arts Foundation, Inc.

We have audited the accompanying statements of financial position of Allied Arts Foundation, Inc. (a non-profit organization) as of June 30, 2013 and 2012, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Allied Arts Foundation, Inc. of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

ALLIED ARTS FOUNDATION, INC.  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2013 and 2012

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Organization*

Allied Arts Foundation, Inc. (Allied Arts) was incorporated in 1971 under the laws of the State of Oklahoma to conduct unified annual fund drives to provide financial support for certain Oklahoma City cultural agencies. Allied Arts also provides additional services in support of the cultural community in the Oklahoma City area including education outreach, community grants, financial oversight of member agencies, cultural community impact activities, input on related public policies, volunteer coordination and support, planning for cultural community needs, information and referral services and participation with national affiliates.

*Basis of Presentation*

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Allied Arts reports information regarding its financial position and changes in net assets according to three classes of net assets, based on the existence or absence of donor-imposed restrictions, if any, as follows:

**Unrestricted** - expendable amounts available for use without restriction.

**Temporarily Restricted** - amounts which have been temporarily restricted by donors for specific purposes or time periods.

**Permanently Restricted** - amounts required to be maintained for the benefit of Allied Arts with income generated by such amounts available for purposes specified by the donor.

*Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates. Significant estimates used in preparing the financial statements include the collectibility of pledges receivable. It is at least reasonably possible that the significant estimates used will change within the next year.

*Cash and equivalents*

Allied Arts considers highly liquid investments with original maturities of three months or less and held outside of managed investment accounts to be cash equivalents.

ALLIED ARTS FOUNDATION, INC.  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2013 and 2012

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Investments*

Allied Arts reports investments in equity securities with readily determinable market values and all investments in debt securities at fair value based on quoted market prices with gains and losses included in the statement of activities.

*Property and Equipment*

Purchased assets are recorded at cost, and donated assets are recorded at market value at the time of donation. Property and equipment valued at \$500 or more is capitalized and depreciated over an estimated useful life of two to ten years on a straight-line basis.

*Contributions*

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily-restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Allied Arts reports gifts of land, buildings and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Contributed materials are recorded at market value at the time of donation, and contributed services are recorded at the fair value of the services, provided they meet the following criteria:

- Create or enhance non-financial assets; or
- Require specialized skills, are provided by individuals possessing those skills and would typically be purchased if not provided by donation.

Allied Arts receives services from many volunteers who give significant amounts of their time to Allied Arts' programs, fund-raising campaigns and management. No amounts have been reflected for these types of donated services, as they do not meet the criteria outlined above.

ALLIED ARTS FOUNDATION, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 June 30, 2013 and 2012

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Functional expenses*

Expenses incurred for Allied Arts to provide their programs and services to the community are categorized and reported on a functional basis as follows:

**Program services** - including agency allocations, education outreach, community grants, financial oversight of member agencies, cultural community impact activities, public policy input, volunteer coordination and support, planning for cultural community needs, providing information and referrals and participation in national affiliates.

**Management and general** - including organizational oversight, business management and finance activities.

**Fundraising** - including activities related to the annual campaign fundraising drive, as well as donor development and cultivation activities.

Expenses are allocated among the program and supportive services benefited based upon either actual usage or the estimated cost attributable to each function.

*Income Taxes*

Allied Arts is an exempt organization under Internal Revenue Service (IRS) Code Section 501(c)(3) and is not classified as a private foundation within the meaning of IRS Code Section 509(a). Therefore, no provision has been made in the financial statements for income taxes.

Allied Arts' information returns for the years ending in 2011, 2012 and 2013 are subject to examination by the IRS, generally for three years after they were filed.

**NOTE 2 - INVESTMENTS**

Contributors to Allied Arts are almost exclusively individuals and businesses in the Oklahoma City metropolitan area, and approximately ninety percent of the total operating support for Allied Arts is raised during its annual campaign. As a result, support of Allied Arts is highly dependent upon the general economic conditions in the area and upon the success of its annual campaign. However, Allied Arts believes the risk of near term severe impact on their operations due to these concentrations is limited by the diversity among donor entities.

**NOTE 9 – LEASE COMMITMENTS**

Allied Arts has entered into operating leases for office space and equipment. Lease expense related to these agreements totaling \$84,908 and \$82,232 is included in operating expense for the years ended June 30, 2013 and 2012, respectively.

**NOTE 10 - OKLAHOMA CITY COMMUNITY FOUNDATION**

Allied Arts and other donors have contributed to funds administered by the Oklahoma City Community Foundation, Inc. (OCCF) for the benefit of Allied Arts. According to OCCF policy, the principal amounts of such contributions become the legal assets of OCCF.

Financial accounting standards provide that the value of reciprocal transfer assets, that is assets transferred by Allied Arts to organizations raising or holding contributions for others, such as OCCF, be recognized as assets in the financial statements of the transferor. They also provide that the value of assets contributed by others to these types of organizations for the benefit of a specified beneficiary specifically not be recognized and recorded by the beneficiary. Allied Arts' beneficial interest in reciprocal transfer assets included:

**NOTE 11 – ENDOWMENT (continued)**

- Enhance the total value of the endowment through appreciation, contributions, and/or the reinvestment of excess current earnings;
- Preserve capital and avoid the risk of large loss;
- Maintain sufficient liquidity to provide for all anticipated withdrawals and to invest in issues with sufficient marketability to provide for unexpected withdrawals.

To satisfy its long-term objectives, Allied Arts seeks investment returns through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Allied Arts targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. Allied Arts is not currently appropriating earnings from their board-designated endowment funds for current use but are reinvesting the earnings to achieve fund growth.
