GET ART!

Allied Arts is proud to introduce the **2018 Step-Up Gift** – a piece of art for **any workplace donor** giving \$150 or more.

This year's featured artists are **Rick and Tracey Bewley** of Art Fusion Studio. They created a fused glass bowl, 8"x8" square and about 3" deep, inspired by Allied Arts' logo and colors.

Each piece is handmade and kiln-fired for 36 hours. **No two bowls are exactly alike!**
